WILLIAMSBURG, VA

CELEBRATING 70 YEARS

70th Annual EUFMC Planning Begins

Fleet registration to open this fall for the industry's premier educational conference

Save the Date: EUFMC will be June 2 - June 5, 2024, at the Williamsburg Lodge and Conference Center in Williamsburg, Virginia.

"Fleet attendance at EUFMC has continued to grow annually as new fleet professionals and new companies join long time attendees and quickly realize the value of our educational program and networking opportunities with their peers and suppliers," said EUFMC President Dave Meisel, Quanta Services. "With the ongoing support of our sponsors, in 2024 EUFMC will continue it's 70-year tradition as the industry's premier event for fleets operating utility and telecom equipment."

In 2023, [EUFMC](#) set a new record when more than 160 fleet representatives from electric utilities, contractors, co-ops and municipal operations, including over 50 new members and eight new companies, were in attendance. The conference continues to expand its membership to include fleet managers from electric utilities, electrical contractors, utility co-ops, tree care operations, municipalities, and telecom fleets.

Fleet professionals can expect to begin receiving registration information by email this fall for the invitation only event. Included will be options to prepay for hotel rooms or make a reservation with a deposit.

At the annual conference as well are more than 350 supplier representatives from 100 companies that offer vehicles, equipment, products and services to fleets operating utility equipment.

EUFMC 2024 Highlights

- [Driving Safety, Sustainability & Technical Expertise](#) the EUFMC educational program, will feature presentations by fleet executives, manufacturers, and industry experts.
